

## FIRST MEMORIAL

At Mary Lanning we understand the powerful nature of a memorial gift. William and Alice Lanning began a legacy which continues to this day

through memorial gifting. They established the Mary Lanning Memorial Hospital in 1915 after the loss of their only child, Mary, who at the age of

twenty-one died suddenly from health complications while home during Christmas break from Smith College in 1910.

## REMEMBERING

Remembering...is personal. Establishing a memorial is a powerful expression to honor your loved one. It keeps the memory alive and it can touch those who are patients at Mary Lanning Memorial HealthCare. Keeping the memory alive of a loved one while

encouraging hope for others is the *heartbeat* of a memorial gift.

## MEMORY TREE

Establishing a memorial on the Mary Lanning Memory Tree is very simple. For a charitable gift of \$250, which will benefit patient care at Mary Lanning Memorial HealthCare, the loved one's name and year of passing is engraved on one of the leaves.

Please complete the form below and return it to the address shown on the form. You may also drop it off at the office.

In a short time the engraved leaf plate is added to the Mary Lanning Memory Tree located on the sixth floor. The donor will be notified of the placement by a letter from the Foundation.

## CONTACT US
